Sub: Introduction of Aadhaar Number in the Adoption System- reg.

Dear Sir/Madam,

With reference to the Circular of this Office of even number dated 12.02.2015, this is to clarify that it is not mandatory for any person to have Aadhaar Number for registering online as a prospective Adoptive Parent (PAP).

2. Although, Aadhaar card has been recognized as one of the documents as proof of residence, it is not a mandatory document. A PAP has many other options to provide as residence proof, that include: Voter ID card, passport, driving license, electricity bill or telephone bill.

Yours sincerely,
